A Special Thanks to all our Partners for your Support

In 2012, we look forward to:

Partnering to restore and protect our coastal marine environment;

Celebrating the winners of our second Student Ocean Art Contest;

Announcing the six Partnership Award winners;

Commemorating 20 years of the Coastal America Partnership;

And helping implement the National Ocean Policy.

We've also got big plans for National Ocean Week and World Ocean Day, so

PLEASE STAY CONNECTED!
