Inspiring Ocean Stewardship through **Art, Photography** and **Film**

On the eve of World Oceans Day, you are cordially invited to join us for a special event at the National Geographic Society in Washington, DC

Harp Seal Photo by Brian Skerry, Art Contest Judge

"Sherman's Lagoon" by Jim Toomey, Art Contest Judge

Florida Keys Video from NOAA's Ocean Today

Premiere screening of a series of short films about marine protected areas, produced in collaboration between Coastal America's Coastal Ecosystem Learning Center Network and the North American Commission for Environmental Cooperation

Display of artwork and photos from the Coastal America Student Ocean Art Contest and selected short videos from the Coastal America Student Summit

Remarks and presentation of awards to the Student Ocean Art Contest winners by distinguished officials and prominent artists

Inspirational remarks by Dr. Sylvia Earle, Explorer-in-Residence, National Geographic

Reception immediately following with interactive displays, exhibits, and book and poster signings with artists

When: Thursday, June 7, 2012 • 5:30-8:00 pm

Where: National Geographic Society, Washington, DC
