- See the new film "Otter 501," a remarkable true story of an orphaned baby sea otter told through the eyes of a young woman who learns more than she bargained for.
- Meet the film's storyteller, Katie Pofahl, a young biologist with a passion for sea otters. Join in on a Q&A with her about otters, ocean conservation and the making of Otter "501".
- Take a mental vacation as you travel along the coast and enjoy the stunning scenery of Monterey Bay.
- Learn about Monterey Bay Aquarium's Sea Otter Research and Conservation Program.
